Dear Parent,

I am so excited to work with your son/daughter in exploring the possibilities of digital imagery and discovering the artist inside each student! We will be working with equipment that involves a large degree of responsibility on the student's part. Students will check out our digital cameras as part of the supplies they will use in creating their portfolio of work. I have explained to them while the camera is checked out in their name they are responsible. If it is broken due to misuse, or lost, they will be asked to repair or replace the camera. Please let me know if you have any questions regarding this policy. MS.

Thanks,

Wendy Connor Rominger
